of Lincoln County, Oregon? If so, we want you. We are recruiting! What is an organizer? An organizer serves as a paid, full-time staff person with little job description who helps develop and execute political projects within a geographic area. What will an organizer do? A paid organizer is responsible for helping to organize a single organization or coalition of organizations, which makes up a political campaign or movement. That means recruiting people, meeting people and persuading people to join a cause. An organizer also works with the staff to organize and
