May 12, 2020 "It's all about the Reapers. And it's been a long, bloody battle to get here. Sure, there have been a few other upsets along the way. But the Reapers are still undefeated, and now they're coming for you. Your resistance to extinction is all that stands between humanity and slavery. The galaxy is at the edge of total annihilation. But what if there was another way? What if there was a way to break the cycle of war, and change the fate of the galaxy?" Zarbon's Cassowary writes: "We've had a long time to think about what it would be like to go the other way, to become a slave. What does that mean? We've done a lot of simulations, and we've come up with a few ideas. Here's a short list." "Not to become a mindless drone under the Reapers' iron fist, but to be free to live and prosper with others who do not want to follow their agenda. Humanity has always been the prey for those who would enslave or destroy us. But what if there was a way to break the cycle of war and change the fate of the galaxy?" 2d92ce491b
